"Thou shalt not take the name of the Lord thy God in vain; for that taketh his name in vain." This verse from Exodus constitutes the Golden Text in the Lesson-Sermon on "Matter" on Sunday in all Churches of Christ, Scientist.
One of the Bible selections in the Lesson-Sermon presents these words of the Psalmist: "Open thine eyes, that I may behold wondrous things out of thy law. . . . The earth, O LORD, is full of thy mercy; teach me thy statutes. . . . Teach me good judgment and knowledge; for I have believed thy commandments. . . . The law of thy mouth is better unto me than thousands of gold and silver. . . . Let thy tender mercies come unto me, that I may live; for thy law is my delight."
Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, state: "It is the transgression of a belief of mortal mind, not of a law of matter or of divine Mind, which causes the belief of sickness." "If man is governed by the law of divine Mind, his body is in subjection to everlasting life and Truth and Love."
